**100 Lakeview St,**

**Gray, TN 37615**

# Welcome!

*Welcome to the 1<sup>st</sup> Annual Southeast Highland Cattle Show, being held October 2-3, 2020 at The Appalachian Fairgrounds in Gray, TN. Friday and Saturday you will be watching a very unique breed of cattle known for their rugged characteristics, longevity, as well as being wonderful mothers. Highlands have the ability to produce the type of beef that is in demand for today's market in an efficient manner with respect to the rising cost of inputs. The beef is lean, but well-marbled and flavorful with little outside fat waste (they develop little back fat as their double coat serves to keep them warm). Highlands are the beef animal of choice by the British Royal Family who keeps a large herd of Highlands at Balmoral Castle in Scotland.*

*Our show is an American Highland Cattle Association (AHCA) sanctioned regular points show. All sanctioned shows must abide by the same rules and class divisions established by the American Highland Cattle Association. The animals must be purebred Highlands, unaltered (they must have their horns) and be registered with the American Highland Cattle Association. Placement in each class earns points for the animal for each show in which they participate. These points are tallied by AHCA at the end of the show season, and awards presented to the top animals at the annual membership meeting held each year.*

*Please feel free to visit with any of our exhibitors to learn more about the breed or to ask any questions that you may have.*

*We are glad to have you at our show and hope a good day will be enjoyed by all!*

*Thank you for coming!*

*Tim and Carolyn Miller, Highland Meadows Cattle Co., NC*

*Adam Hopson and Emily Young-Hopson, Happy Hens & Highlands, NC*

*Jeremy and Kristin Carmack, TC Highlands, KY*

*Andy and Lorri Anderson, New River Highland Cattle, VA & NC*

# Show Judges

## Jacob Larson

*Open Show & Showmanship*

Jacob has been a connoisseur of quality cattle for about as long as he can remember. At age 7 he joined a dairy 4H program in his home town in Washington state. He found that the judging competitions were something he excelled at and often won. About that time His family purchased Highland cattle for their heritage farm. As he got older, Jacob became manager of their cattle herd and show ring endeavors. He and his parents bred and showed multiple national champion heifers, bulls, and cow/calf pairs in the 90's and early 2000's. During those years he also won the national showmanship title and volunteered as one of the youth leaders for the AJHA. After graduating Washington state university with an animal science degree, Jacob lived in Montana working as a veterinarian assistant. He also worked on a large angus ranch where he specialized in the breeding and calving of several hundred replacement heifers. More recently he has managed a herd of 400 Highland cattle for a Highland beef producer in California. He now lives in the San Jose area where he owns an outdoor adventure guiding business and continues to work on the side as a professional cattle fitter and showman.

Much success with cattle has confirmed Jacob's keen eye for bovines, while plenty of losses and raw experience on the land have taught him a bit of needed humility and real world perspective.

This show will be Jacob's debut judging position and he is honored and excited by the opportunity.

## Vicki Ross

*Junior Show*

Vicki has owned and raised registered highland and highland cross cattle since 2000. She started as a junior member of AHCA and MAHA, and has since served on the board as director both regionally and nationally. At its peak, Vicki had approximately 40 highlands that she has since largely dispersed for breeding stock, and currently keeps a small herd of steers to finish for beef. She has enjoyed traveling to Denver for the National Show and Sale, as well as participating in and supporting regional shows. When not working with cows, she works as a pre-hospital emergency nurse.
